SHADED GRACE

Where subtle tones meet timeless
elegance for every design.

1.5mm / 1.3mm (±) VELVET MATT COLLECTION

At Pros Decor, we redefine contemporary elegance with surfaces that radiate sophistication and style. Our collections transform any space into a masterpiece, offering sleek, polished finishes that elevate every room. From glossy kitchen cabinets and chic living room pieces to luxurious bedroom wardrobes, our designs bring modern glamour to life. Imagine your home, office, or commercial space adorned with stunning, high-gloss furniture that reflects both light and luxury. Whether it's a serene apartment, a bustling showroom, or a stylish reception, Pros Decor creates environments where beauty and functionality harmonize perfectly.

In every project, we prioritize aesthetic appeal, ensuring that each piece not only serves its function but also becomes a focal point of beauty. Our designs are meticulously crafted to enhance the visual harmony of any space, blending modern trends with timeless elegance. Whether it's a minimalist apartment or a grand office, Pros Decor infuses each environment with a refined style that captivates and inspires. We believe that true design excellence lies in the details, where every surface, colour, and texture is thoughtfully chosen to create a cohesive and visually stunning ambiance.

FACTS

Acrylic are bonded in extremely humid conditions

use of water base synthetic resin adhesive any other the PEVA (Polythylene Vinyle Acetate Co-polymer0

When substrate loses moisture after installation

Debonding in certain areas because of uneven substrate surface

Insufficient or lack of pressing during the bonding period of laminate

Use of extremely large acrylic/PVC Laminate sheets (more than 8 ft x 2 ft long)

To avoid de lamination / air bubbles in between ply and laminate the above steps should be taken care of. Bonding of acrylic sheets shouldn't be completed under high humidity

Reasons for air bubble formations on acrylic sheets

Limited warranty

Our laminates are crafted with both aesthetics and durability in mind. When used as directed and with proper care, they are designed to maintain their beauty and functionality for years to our products are crafted to be free of defects and, when handled and installed correctly, are designed to meet or exceed manufacturing specifications. We strongly recommend that all products be thoroughly inspected prior to installation. Our warranty does not cover defects or non-compliance arising from improper use, handling, or any other causes including but not limited to:

- Improper handling, transportation or storage
 - Incorrect installationi
 - Misuse or unintended use of the products
 - Indequate maintenance
 - Exposure to extreme temperatures
 - Unauthorized modifications
 - Use in outdoor environments
- There will be no guarantee or exchange under any circumstances
 - Color variations in products from different batches are possible
 - We recommend using products from same batch to avoid color variations
 - This brochure is for presentation purpose only actual color may differ.

- Exposure to direct sunlight can gravely affect the laminate's appearance
- Use of inferior or sub-standard dipped plywood or dipped lipping patti, which may chemically react the adhesive.
- Prolonged exposure to high temperature (above 30°C-35°C)
- If hot cookware or utensils are directly placed on the laminate
- To avoid the inside cracks & stetch line do not sore acrylic sheet in roll form.

Disclaimer

- Do not use plywood with high moisture content
- Do not use ply with uneven surface
- Avoid using interior-quality adhesive
- Apply sufficient pressure
- We do not recommended pasting of sheets on the printed/branding area of the plywood
- Don't use synthetic rubber adhesive such as SR / Jat Pat, Bostic, Heated, Etc.
- No guarantee & no exchanges under any circumstances
- Colour variations may occur between different batches
- Use the same batch material to avoid colour inconsistencies
- Actual colour of laminate sheets may vary from brochure images
